

Let's learn Resin. Fun friendly and addictive. Come along and get started with the addictive craft of Epoxy resin. No skills needed, for beginner/intermediate levels

£65 (1 day) Small item course, coasters and jewellery. Plus £10 materials per day\*

£120 (2 day) Larger items, clocks etc. £5 materials per day\*

This workshop teaches you how to produce amazing resin pieces from jewellery to clocks and tables. Once you have the skills it is easy and safe to do at home. It's a great way to start a new hobby or business. The materials are versatile and accessible. Plus if you do other crafts there are so many things we can use in resin. You can make beautifully simple pieces or develop onto intricate, more complex designs.

You'll start learning safety, mixing, adding colour and pouring. You'll be able to make a number of pieces which could include at least 10 pendants or keyrings and several coasters on the first day.

The following day you go big! Learning how to produce larger items..

You will also be send a 40 page Lets Learn Resin book details everything and more that you have learned in the workshop.

Why should you join us? Here are some great reasons
