£120 (2 day) Advanced techniques. £5 materials per day*

Description

This workshop is such fun. Working with polymer clay is affordable and easy to do at home so it's the perfect way to start a new hobby or business. The material is versatile and accessible for all ages and experience. You can make beautifully simple pieces or develop onto intricate, more complex designs.

You'll start by rolling, cutting, forming and moulding the clay. You'll then move onto baking and finishing the pieces with jewellery findings and adhesives. You'll be able to make a number of pieces which could include pendants, earrings, rings, keyrings and more.

On the 2 day course you can then progress to some more complex techniques including decorative slabs, canes and gold leaf. Then using your new skills to turn these into jewellery or even a small plate or bowl. There is a maximum of 6 students per course, so there will be lots of help and time to create your beautiful jewellery. Children under 14 must be accompanied by a paying adult.
